

Ark PES, Inc. | 545 Boylston Street, 6th Floor | Boston MA, 02116

Deployment Notes and Updates - Ark

Release Date - January 7, 2025

Bug Fixes:

- Resolved an issue that caused the Users page to fail to load for Ark Client Admin users when handling large user lists. The page has been optimized to ensure smooth and reliable performance, regardless of the size of the user list.
