

Ark PES, Inc. | 545 Boylston Street, 6th Floor | Boston MA, 02116

Deployment Notes and Updates - Ark

Release Date: March 9, 2023

Bug fixes & incidentals:

- (5093) Uploaded investment transactions are no longer rounding cost per share to 2 decimal places and will allow for unlimited decimal places, based on total cost & share count. Prior to this fix, uploaded investment transactions would default the cost per share to 2 decimal places, impacting cost calculations.
